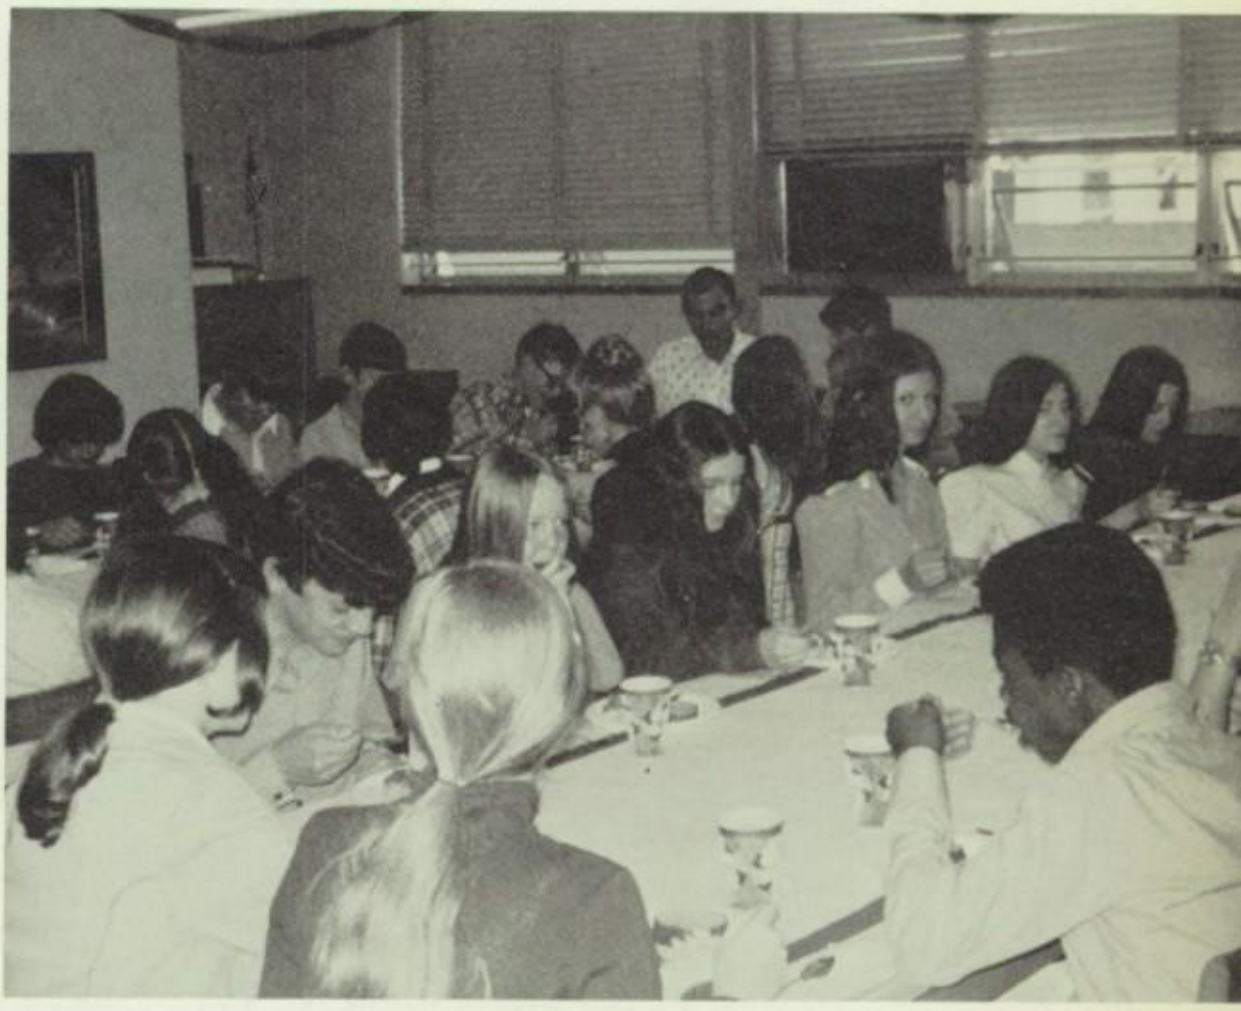
Wolfpack — 1974

Volume 20

Weston High School

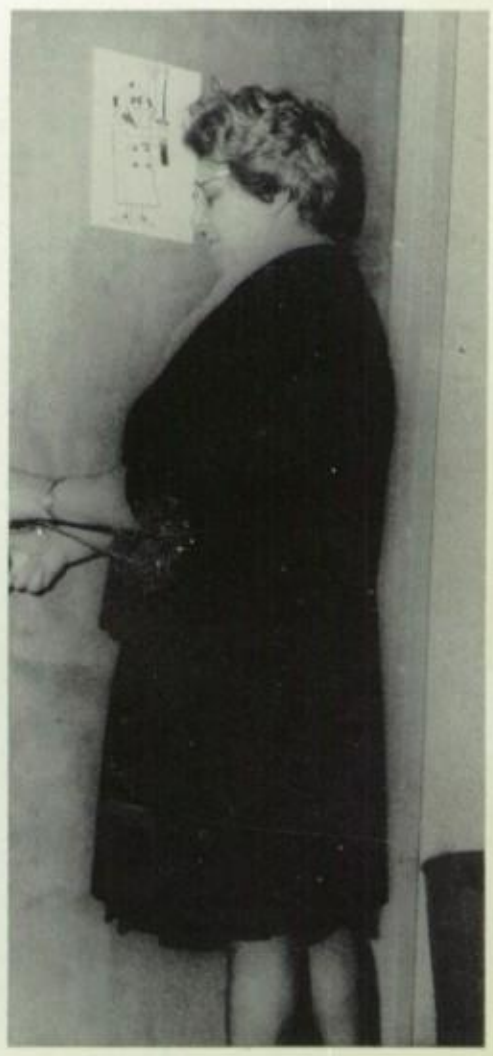
Route 1

Jonesboro, Louisiana



Pre-School . . .

The early morning hours provide a variety of sights even before the school day begins. It may simply be cramming last minute information for a test, the latest gossip, or an unfinished job from the day before.



Morning Hours . . .

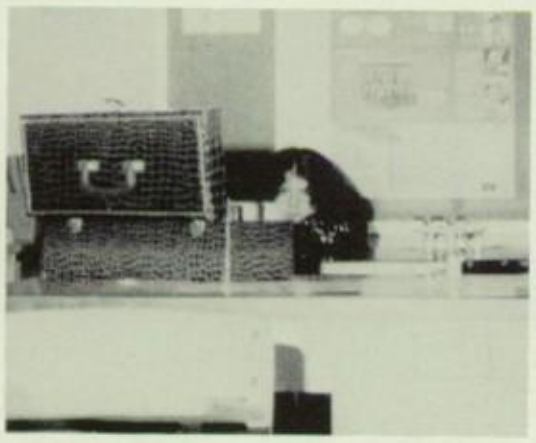
The first three hours of each day provide practical application in the classroom. Even as classes change and concentration slips to thoughts of the noon break, research in class projects and reading assignments demand involvement.

Recess — Lunch . . .

Recess and lunch is a time for eating, socializing, resting, and ballgames. It's a meeting place of friends.

Afternoon Hours

Lunch is over and everyone must resume the role of a student. The afternoon hours include such classes as shop, home economics, or typing for some students and headaches for the faculty.



Tide

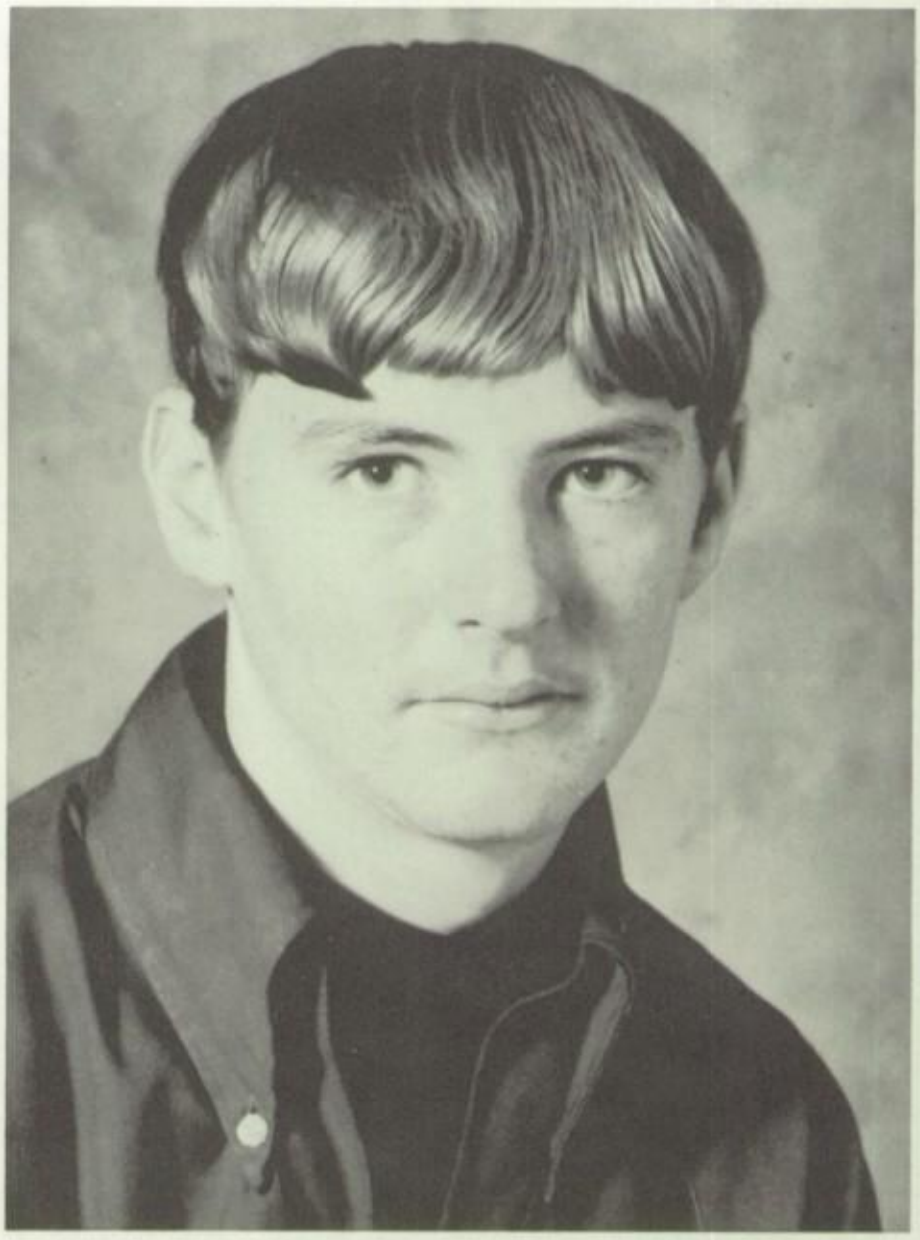
Seniors — 1974
on
the School Campus

Post-School . . .

The post school hour is the period when activities happen. Many people stay after school for one reason or another. This group is comprised of practicing basketball players, janitors working, and teachers at meetings. The later hours provide ballgames and night classes.

In Memoriam

RICK DICKINSON
(June 20, 1957 - February 20, 1974)
Son of Mr. and Mrs. L. C. Dickinson



As an expression of love and sympathy, Cindy McBride - Student Council President, acting on behalf of the student body, handled their floral gifts.

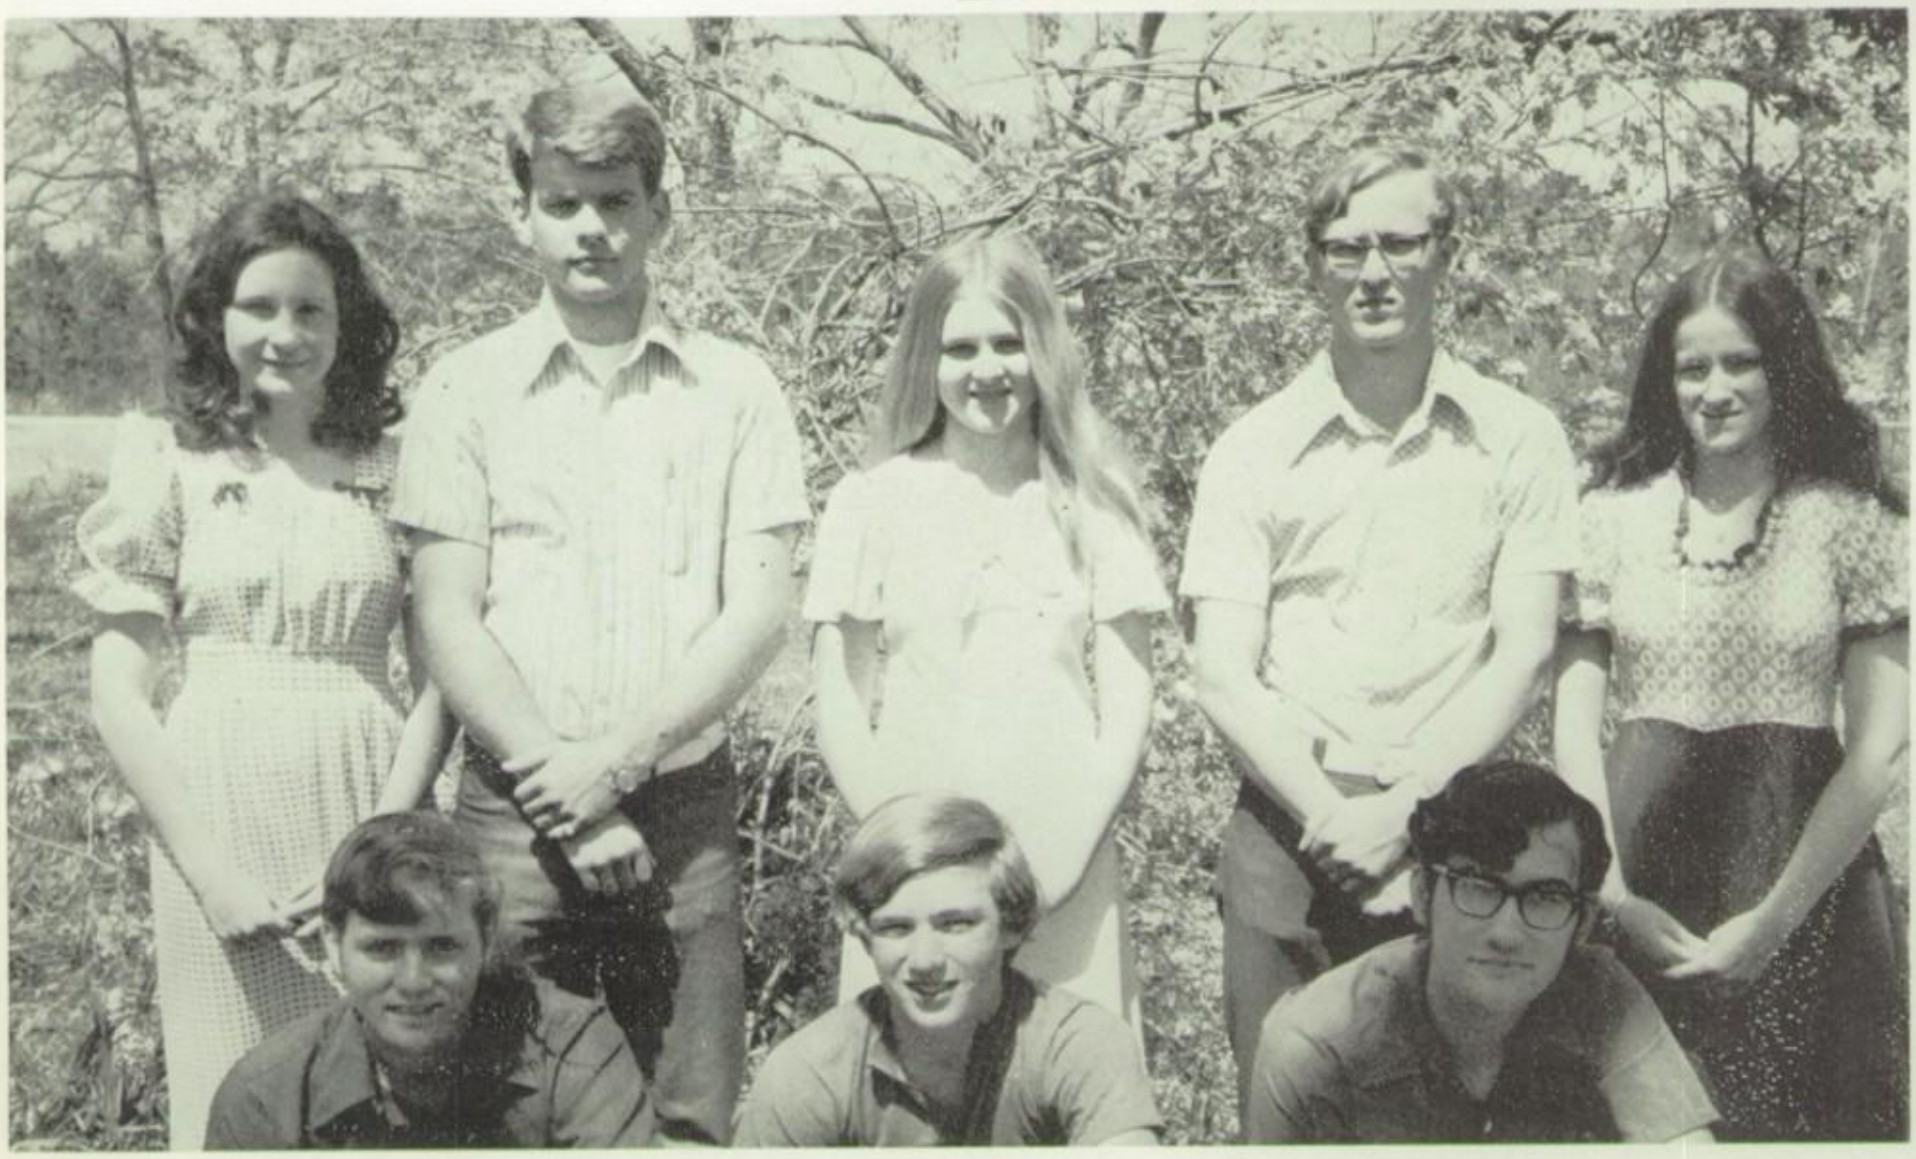
Wolfpack Staff

One aim of the staff is to produce for the student body and friends, an accurate photographic memory of this year. This means a small, selected group of students and teachers who have to work together and demonstrate cooperation, imagination, creativeness, determination, and above all - patience. It also means enduring headaches, frustrations, and disappointments. This year the staff assumed the difficult task of taking and processing most of the pictures. This is being done in the newly equipped photo lab of the science department, under the direction of Mike Staples, assisted by students and Wayne Nash, a 1969 Weston graduate.



BACK ROW: (left to right) Pat Hampton, Editor; Curtis Roller, Business Manager; Pam Stewart, Organizations; Scott Savage, Sports; Vickie Watts, Features. FRONT ROW: Kerry Don Wyatt, Photographer; Eddie Massey and Ricky Gordon, Subscriptions.

Wolf Prowl

English IV students, taught by Mrs. Weeks, are responsible for collecting and editing the news items. The Clerical Practice Class, supervised by Mrs. Norman, does the printing and selling.

Student Council

This organization is the homeroom type composed of representatives from grades 7-12, elected by the individual classes. The council assumes many responsibilities in rendering a variety of services for the entire student body.

Many persons in our community find their lives sparked with new vigor and interest when they enter the adult education program of our school.

Senior citizens develop new hobbies, new friends, new skills. Young people who have dropped out of high school return to complete their education and thus advance to better jobs. It has proved that a person is never too old to learn, and a large group receive high school diplomas each year.

Now It's Time to Rest . . .

Many thanks go to the people who have in some way assisted us in preparing this 1974 WOLF-PACK.

Making this book mean as much to you as it does to us would be impossible; however, we do hope that we have covered the year of 1973-74 in the best way possible for your remembrance. We will see more errors than you will probably ever see. Also, we will be able to remember the problems and work behind each page. It is a finished work of which we are proud and we hope you will be also.

To Curtis, Scott, Kerry Don, Vickie, Pam, Eddie, and Ricky, I say thank you. My special thanks also go to Mrs. Hurst, Mrs. Norman, and Mr. Staples for their time and patience.
